National Alliance on Mental Illness

North Carolina's Voice on Mental Illness

The mission of NAMI North Carolina is to provide support, education, advocacy, and public awareness so that all affected by mental illness can build better lives.

Call our Helpline at 800-451-9682 for free information, referrals and support.

The following NAMI Programs are offered in North Carolina:

NAMI Family-to-Family

This is a free 12-session course that is open to family members who have a close relative with a mental illness. The course includes ways to understand and help the person with the illness, and helps the family overcome the difficulties of coping with this family crisis.

NAMI Peer-to-Peer

Ten free two-hour classes are taught by a team of two who have personally experienced living well with mental illness. The course uses lecture and interactive exercises to help participants gain knowledge, insight and coping strategies for living with their illness. Participants will work to develop a crisis plan during the program.

NAMI In Our Own Voice

This program aims to change attitudes, preconceived notions and stereotypes regarding mental illness. This is accomplished through community presentations by trained consumers who share what it is like to live with mental illness, while conveying the importance of treatment and recovery.

NAMI on Campus

NAMI on Campus clubs provide students with peer-run mental health organizations on campus. These student-led clubs help support fellow students, raise mental health awareness, educate the campus community, and promote and advocate for services and supports.

NAMI Basics

This is a free 6-week course for parents or direct caregivers of children and adolescents (18 or younger) who are showing symptoms of or who are diagnosed with a mental illness.

NAMI Connection

NAMI Connection is a weekly recovery support group for people living with mental illness in which people learn from each others' experiences, share coping strategies, and offer each other encouragement and understanding.

NAMI Family Support Group

NAMI Family Support Group is a peer-led support group for family members, caregivers and loved ones of individuals living with mental illness. Gain insight from the challenges and successes of others facing similar circumstances.

NAMI Homefront

NAMI Homefront is a free, six-session education program for family, friends and significant others of military service members and veterans with mental health conditions. It focuses on the unique needs of military and veteran communities, such as post-deployment and post-discharge transitions.

NAMI Smarts for Advocacy

NAMI Smarts for Advocacy is a popular hands-on advocacy training program that helps people living with mental illness, friends and family transform their passion and lived experience into skillful grassroots advocacy.
